★★★★★ Great gift, high quality

I've now bought 5 sets of these wings (peacock, green butterfly, purple butterfly, etc.) and will probably buy more. They are absolutely one of my favorite gifts to give. I've given them to boys and girls and they all adore them. Parents are always impressed with the quality. So much better than wire and nylon wings that last for a week. These will last a long, long time. They pack up super small too so it is one of the few costumes that we end up taking with us out of town, to music concerts, the beach, etc.

★★★★★ **Partie de costume de carnaval originale**

Pour sortir des princesses, petit chaperon rouge, animaux et autres personnages de BD tout en gardant un côté infantile j'ai trouvé ces ailes très belles. Bonne qualité, ne gêne pas l'enfant dans ses mouvements. J'ai vu sur le site qu'il y avait beaucoup d'autres modèles disponibles.

★★★★★ Schmetterlingfeeling pur!

Nicht nur für Fasching, auch so zum Spielen super geeignet. Passend dazu gäbe es noch eine Maske- für Mädchen ein Traum....
Die Farben sind schön kräftig - so wie abgebildet und ein bisschen Glitzer ist auch dabei. Würde ich jederzeit wieder kaufen!

The wings are SO MUCH FUN. We saw them at our local children's museum and I knew I had to get a pair for home.

They are so much better than the wire netted ones that break and tweak.

★★★★★ **Gorgeous Peacock Mask**

Beautiful soft, fabric (both sides) material makes this mask easy on the wearer. My granddaughter (6 years old) could wear it for long periods without it irritating or bothering her hyper-sensitive skin. She loved it! Also bought the Peacock wings.

OUR STORY

Noa, Jr & Luna here, the new kids on the block at Dreamy!

Well, actually we are the old ones, as our Mom used us as models for her wings, masks, costumes & more.

As our Mom is a self-proclaimed Digital Dinosaur with no intention to change, she asked the 3 of us to help with the social media side of things, and we look forward to connect with you via Instagram, Facebook and/or email.

Noa was born in 2000 and so was the idea to start up a line with kids costumes & accessories, which evolved into the brand Dreamy Dress-Ups®, now available in specialty gift/kids/toy stores around the world, including Amazon!

Fly with us & Be Dreamy!!!
